

Be a Son World Adventure Park Tour Guide (Leader) or a Ride Operator (Helper)

Guides -- 2 Adults needed for each group of children (2 groups of PreK/K, one group each of Grades 1-2 and Grades 3-4). Guides children as they rotate to each 25-minute activity center. Takes care of children's needs and support activity center leaders to ensure a good environment for learning. Helps children make their projects in Crafts activity center. Sign up for one, two or all five evenings!

Bible Story -- 1 adult leader needed for each age level grouping---PreK/K, Grades 1-2 and Grades 3-4. Use leader's book to present the story of the day. Most stories are interactive so that children are participating with the story. PreK/K uses flannel graph figures and a hand puppet. We usually have two groups of PreK/K and we try to put those two groups back to back so the leader can repeat story and do both groups in less than an hour's time. Some stories require gathering some simple items/story props.

Bible Memory Verse -- 1-2 Adult leaders needed. Show a nightly segment (about 5-7 minutes) of the VBS Skit DVD to introduce the memory verse of the day. Play an indoor (relay, two-team competition) game from leader's guide.

Crafts -- 1 adult helper needed. Assist the Crafts Leader set out the supplies, precut any project pieces, help the children and then clean up the area at the end of the evening.

Music -- 2 helpers needed (can be youth who have completed 7th grade). Will assist leader in teaching song lyrics and motions to children in all age groups. Works with leader, VBS Director and Grades 5-6 leader to plan a simple closing program.
