Hayride

Great fun for all ages and wonderful food as usual. We rode in a hay wagon from Brinegar's and Randy Mason drove the truck that pulled us. Deer were seen along with beautiful leaves along the road.

TRUTH PROJECT

An amazing study put together by Focus on the Family Institute. Any are welcome and would really grow because of this study. This is a class that everyone **should** participate in. It really makes you think and is very exciting! October 25th it was difficult to stop the discussion to go home. The dates will be Sunday nights Nov 8, Nov 22; Dec 6, Dec 13. There will be a finger food, light carry in dinner at 6:00 p.m. and video/study will be 6:30 finishing by 8:00.
