

## Witness Commission Fall Community Outreach

The witness commission has a sign up sheet in the foyer for anyone that you know would benefit from a Friendship Basket from Fairview. There are 24 available this year to be delivered close to Thanksgiving. For more information or to have a basket delivered confidentially please contact Sheila Selix, Lila Singley or Denise Campbell.

### CROP Walk

Pat Conger, Diane, Miriam, and Ronnie Mason, Emily and Dean Penner participated in the walk that cold, windy day. There are so many that have to walk for food or water or don't have any options of food or water. It was a great honor to walk for our church and gather donations to help others.

### Information about our TRIM Students

This is a letter that Alice Brinegar received in regards to our TRIM Students:

Good Morning,

As the Northern Plains district TRIM coordinator I want to apprise you of the progress and possibilities I'm seeing in the four women from Fairview Church. Several of them have done supply preaching in other churches in the district and the feedback I'm getting is that they are anything but beginners; the congregations have been very pleased, enough to take time to let me know how good they are. Sharon has shared her musical gifts on several occasions in the district and it has been very well received. She has a real gift for music ministry. All of them have been very actively engaged in study, far exceeding the "normal" progress a TRIM student usually makes. You can be very pleased with their faithfulness to ministry training and I trust the Fairview Church is also benefiting from their many ministry gifts. If you have preaching needs in your local congregation, any of these ladies could help out and I would encourage you to use them to give them the "practice" they need to further develop these skills. Blessings to you and to the Fairview Church as you continue to serve Christ. Lois Grove
