

Operation Smile

June Burger has recently finished training to be a volunteer with the Operation Smile organization. This group provides dental care (particularly cleft palette repair) to children who might not otherwise be able to receive treatment. June will be serving as a volunteer in Brazil September 18-30 and is taking along kid's toothbrushes to be handed out to children. If you would like to donate tooth-

brushes to this organization, please bring them to the church by September 7 or get them to Ann Burger by September 12 .

2009 Proposed Budget

The Steward Commission and the treasurer will soon meet to prepare the 2009 proposed budget. Commissions, if you feel a change is needed in the amount budgeted for your commission from last year's budget, let one of them know soon.

Thank You from the Gideons

Thank you for the gracious reception extended to me Sunday, July 13 by your congregation when I had the honor of sharing how God is continuing to work through the Gideon ministry.

On behalf of the Gideons of the Centerville Camp and the Gideons International, I want to express my sincere thanks to your congregation for your support of the Gideon work. The offering which was given in the amount of \$255 is tangible evidence of the love your congregation has for making the Word of God available to those who otherwise may not have a copy. It will help provide Scriptures to billions of people who cannot hope to buy themselves. We can pray that many precious souls will come to the saving faith in the Lord Jesus Christ as a result of these scriptures being distributed.

We especially appreciate your prayerful support for this ministry. Thanks again for the privilege of representing the Gideons in your church. May God continue to bless you and your congregation there at Fairview.

Sincerely yours in Christ,
Lawrence Powell
