

Find out how you can learn more about...

Using Email & Working with Digital Photos

and get more out of **YOUR MegaBlitz High-Speed Internet connection!**

Sign up **NOW** for one of these Internet classes from Central Scott Telephone and netINS!

Pick a class/time and call in your reservation*.

Date: March 4, 2009 / Wednesday

Place: Scott County Library / 200 N. 6th Avenue • Eldridge

1 Introduction to Email

This class will help train you in: sending, receiving, replying and forwarding of email. Plus, you'll learn more about working with attachments, using the address book, creating distribution lists and much more.

2 Working with Digital Photos

Now that you have pictures on your camera, learn how to import, crop, adjust and manipulate your digital images. And you'll discover how to print them, have them printed / mailed to you and how to send photos to others via email.

Introduction to Email

Class times: 3:00pm - 4:00pm OR 6:30pm - 7:30pm

Working with Digital Photos

Class times: 4:00pm - 5:00pm OR 7:30pm - 8:30pm

*Classes are **FREE** for Central Scott Telephone / netINS customers.
