

# KHS Soil Probe

## Kleen Hole Spade

**M&M Supply Co**  
**PO Box 407**  
**Clear Lake, IA 50428**  
**(641) 357-4243**

This probe is the best probe on the market. In soil testing the lab results are only as good as the sample that was taken. The alligator style opening allows every CORE to be inspected and easily extracted, allowing the sampler to ensure the core is a representative sample.
